- Programmes that do not appear on this list can be considered by the FGDP(UK) Credit Transfer Committee for accreditation. Programmes should be at level 7 or above on the English national qualifications framework (management programmes can be considered from level 5) and be subject to appropriate external quality assurance.
- Individual Career Pathway participants may also request that programmes are considered but only programmes that have been submitted for accreditation by the programme providers (institutes) appear on the list above.
- Overseas qualifications may also be considered, provided they meet the same set criteria for accreditation as UK based programmes.

For further information about the accreditation of programmes towards the Career Pathway, please contact Sally Hunter, FGDP(UK) Development Officer on 020 7869 6766 or shunter@rcseng.ac.uk.
