CERTIFICATE IN RESTORATIVE DENTISTRY & DIPLOMA IN RESTORATIVE DENTISTRY
COURSE TUTOR

OVERVIEW

The Certificate in Restorative Dentistry (CRD) and Diploma in Restorative Dentistry (DRD) is a part-time programme offered by The Faculty of General Dental Practice, involving a self-directed learning and direct teaching programme over a period of one year (PGC), two years (PGD). The Course Tutor will guide and support between five to six participants through a cohort in London. Successful candidate will also have an active role in advising their tutor group on treatment planning, supervising cases and giving guidance on the presentation of cases in line with course requirement. The Course Tutor will work closely with the Course Leads and the FGDP (UK) Education team.

ROLE

- Attend all tutorial units of the programme at the course centre.
- Lead formal discussion groups at tutorials.
- Advise the participant on treatment planning which is predictable and suitable for the patient.
- Review, approve and assess major and mini cases for presentation.
- Attend training/development meetings as arranged by the Faculty.
- Review regular attendance and use of VLE by the tutees.
- Encourage active discussions and communications on VLE in their tutor groups.
